A City for the Future

WILL · WON'T · MIGHT · THERE WILL BE · WORKSHEET

1 Listen to Riverford Radio. True (T) or false (F)?

1. There will be more older people in Riverford. T / F
2. Maya is sure that there will be no cars in the centre. T / F
3. Trees and parks will help to keep the town cool. T / F
4. Maya thinks young people will leave Riverford whatever happens. T / F
5. Each team will have ten points to spend. T / F
6. The winning project will hang in the school. T / F

2 Listen again. Complete what Maya says with *will, will probably, might, won't* or *Definitely*.

1. There _____ be more older people.
2. Summers _____ be hotter.
3. There _____ be no cars in the centre at all.
4. A town without a place to meet _____ keep its young people.
5. _____, if there's something for them to do.

3 Write predictions. Use the words in brackets.

will definitely · will probably · might · probably won't · definitely won't · there will be

1. trams / in the centre (sure – *there*)

_____

2. people / work from home more (probably)

_____

3. cars / not / disappear (probably)

_____

4. we / have / flying taxis (maybe)

_____

5. the town / not / be / much bigger (sure)

_____

6. summers / be / hotter (definitely)

_____

4 Match the suggestions and replies.

1 Why don't we build a tram line? __	a Yes, let's! Kids will love it.
2 Let's put a playground in the park. __	b Hmm, I'm not sure that will work. It'll bring more cars.
3 We could have solar panels on the school. __	c Good idea, but it'll cost three points.
4 What about a big new car park? __	d That's fine with me. It'll make the library more fun.
5 How about a café in the library? __	e That's a good idea. Energy will be cheaper.

5 Our town in 2056

Our cards	Points	Who is it for? (Mr Hughes, Leah, the Okafors, Mrs Patel)
Total	**/ 10**	

There will be... · There won't be any... · People will... · Mr Hughes will be able to... · The town will probably be...

Project cards · 10 points

Cut out. Choose cards for 10 points. Every resident must get at least one thing.

TRANSPORT · 3 POINTS

A tram line through the town and to the station.

TRANSPORT · 2 POINTS

Bike lanes on every main street.

TRANSPORT · 2 POINTS

A car-free centre. Cars park outside.

TRANSPORT · 1 POINT

A big new car park next to the shops.

GREEN · 2 POINTS

A big park with a playground and a lake.

GREEN · 1 POINT

Gardens on the roofs of schools and offices.

GREEN · 1 POINT

Trees on every street.

ENERGY · 2 POINTS

Solar panels on all public buildings.

ENERGY · 2 POINTS

Wind turbines on the hill outside town.

MEETING PLACES · 2 POINTS

A youth centre with music rooms and a cinema.

MEETING PLACES · 2 POINTS

A library with a café and a workshop.

SPORT · 1 POINT

An outdoor sports area by the river.

ACCESS FOR ALL · 2 POINTS

Lifts at all stations, **no steps** in the streets.

ACCESS FOR ALL · 1 POINT

Benches and toilets every 300 metres.

Residents

Cut out. Every group gets all four residents.

MR HUGHES, 80

I use a wheelchair. I want to go shopping and visit my friends on my own.

LEAH, 15

There's nothing to do here after school. My friends want to move to the city.

THE OKAFORS

We have two small children. We want clean air and somewhere safe to play.

MRS PATEL, SHOP OWNER

My customers come by car. If there are no cars, will they still come to my shop?

A City for the Future

Exit ticket

1. A prediction with *will probably* or *might*:

2. A sentence about our project with *there will be / there won't be*:

3. The best idea from another group:

	Yes	Almost	Not yet
I can say what is sure and what is only possible.	○	○	○
I say *There will be…*, not *Will be…*	○	○	○
I put *probably* in the right place.	○	○	○
I can make and answer a suggestion.	○	○	○

What was the best idea from another group? Why?
